A SPECIAL SUPPLEMENT TO

FROM THE PRINCIPAL

Welcome Home Lakeside High Alumni

Denny Finley
Principal

*Hello all, and welcome to
Lakeside Jr./Sr. High School.*

It's come that time again. Time for our former Raiders and former Warriors to return to our community, our school, our home. Lakeside and the Sibley community are special to me. I do not just work at Lakeside. I live Lakeside. My wife and I raise our boys to be proud of their school and their hometown.

That same level of pride is shared by the teachers, staff, and most importantly the students of Lakeside. We have a unique school. I tell everyone that Lakeside is the best school in America because of the relationships we have with everyone who wears Warrior red. From the 6th grade on through the senior class, to be a Lakeside Warrior is to be part of a family. And that family is strong.

So as we come together for Homecoming week, it's a great time to celebrate all the things that make us not just a school but a family. Our Warrior football team will take the field Friday night against a quality opponent. No matter the outcome or final score, you will never see a group of young men give their all in such a way as our Warrior football team will. Head coach Mike Santelices is to be commended for the character and work ethic he has helped instill in these young men. During halftime, we will present the 2021 Homecoming Court. The young ladies presented during the festivities exemplify the positive attitudes, hard work, and moral character we want all of our students to strive to achieve.

Once again, Lakeside is a special place. A wonderful school. Teachers care. Administrators care. We love "our" kids and push them to become productive members of society. While, the best of the best may be on display Friday night, Lakeside is home to excellence in every class.

Thank you for coming home to Lakeside.
Go Warriors.
