Welcome to the 2024 Minden Press-Herald **READERS' CHOICE AWARDS**

The votes have been tallied and the results are in ...

The Minden Press-Herald proudly presents our 2024 Readers' Choice Awards special section where you'll find a gallery of some of the area's BEST local people, places and businesses as selected by our readers and subscribers.

The Readers' Choice Awards are meaningful because they are chosen by the community. The results are based solely on the opinions of customers and the survey reflects service they have received or experienced with the specific people or businesses right here in our community.

It is used to get the community and surrounding areas involved in recognizing businesses, organizations, events and people who make this area a better place to live, work and play. It may also introduce you to a "best" that you have never tried before.

So without further ado, let's cruise through our list of this year's top picks and find out which ones our readers consider the BEST.

The Press-Herald congratulates all the favorites in this year's edition of The Readers' Choice Awards!
